

## SAFETY DATA SHEET

---

### 1. Product and Company Information

Product name: KANEVINYL K13M

Manufacturer: KANEKA CORPORATION  
Address: 2-3-18, Nakanoshima, Kita-ku, Osaka, Japan  
Department in charge: Technology Team,  
R&B Technology Group,  
Vinyls and Chlor-Alkali Solutions Vehicle

Person in charge: Head of R&B Technology Group  
Phone number: +81-6-6226-5356  
Fax number: +81-6-6226-5345

Emergency access: KANEKA CORPORATION  
Specialty PVC Global Marketing Team  
Phone number: +81-3-5574-8020

Reference Number: K-09E

---

### 2. Hazards Identification

Physicochemical effects: Not available  
Health effects: Not available  
Environmental effects: Not available  
GHS classification : Classification not possible or not applicable

---

### 3. Composition / Information on Ingredients

Distinction of substance / mixture: Substance  
Chemical name: Polyvinyl chloride  
General name: Polyvinyl chloride resin (PVC resin)  
Chemical formula and content:  $(\text{CH}_2\text{-CHCl})_n$ , 99 % or more  
Classification number in the official gazette:  
6-66 (Japanese Chemical Substances Control Law)  
CAS number: 9002-86-2

---

### 4. First Aid Measures

Inhalation: If inhaled abundantly, consult a physician.  
Skin Contact: Rinse with water.

Eye Contact: Do not rub the eyes. Rinse with water for at least 15 minutes, and consult a physician.  
Ingestion: If ingested abundantly, consult a physician.

---

## 5. Fire Fighting Measures

Fire Fighting Instruction: Extinguisher must use air breathing apparatus.  
Extinguishing Agent: Water, dry chemical extinguishing agents or foam extinguishing agents.  
Others: Irritant gas is emitted when burnt.  
Major component of gas : HCl, CO and CO<sub>2</sub>.

---

## 6. Accidental Release Measures

Collect the diffused powder in empty containers with protective gears.

---

## 7. Handling and Storage

Handling: Handle under well ventilation with protective gears.  
Do not expose to fire. Do not diffuse.  
Storage: Avoid exposure to direct sunlight, and store at a well ventilated, cool and dark place.

---

## 8. Exposure Controls / Personal Protection

Exposure control: Not applicable  
Exposure limit values:  
Japan Society for Occupational Health: None  
ACGIH: 1mg/m<sup>3</sup>(ACGIH TLVs and BEIs, 2010)  
Engineering controls:  
Desirable to install ventilators with dust filters where diffusion tends to occur.  
Protective gears:  
Use the following protective gears when necessary.  
Respirators: Dust masks in operation, and air breathing apparatus mask in case of fire.  
Protective spectacles: Dustproof spectacles.  
Protective gloves: Protective gloves.  
Protective clothes: Not required generally.

---

## 9. Physical and Chemical Properties

Appearance: White powder  
Boiling point: Not available  
Melting point: Not available  
Vapor pressure: Not available  
Volatility: Not available  
True specific gravity: 1.4 (20 °C)

Solubility: Not soluble in water

---

## 10. Stability and Reactivity

Stability, Reactivity: Stable under normal handling conditions.

Condition to avoid: Do not expose to fire

Hazardous decomposition products: Irritant gas(HCl) is emitted when burnt.

Ignition temperature: 391 degrees C <sup>1)</sup>

Flash ignition temperature: 454 degrees C <sup>1)</sup>

Combustibility: Self-extinguishing resin with oxygen index of approx 45. <sup>2)</sup>

Ignitability: Not ignitable in room temperature.

Oxidative property: Stable in room temperature.

Dust explosiveness: Stable in terms of dust explosiveness.

---

## 11. Toxicological Information

Unclear, but no case known to show hazardousness.

---

## 12. Ecological information

Degradability: Unknown

Accumulativeness: Unknown

Toxicity to fish: Unknown

---

## 13. Disposal Considerations

Gather in an appropriate container and dispose in accordance with appropriate local regulations.

---

## 14. Transport Information

Avoid damage to containers and collapse of cargo.

UN Number: Not classified as dangerous material.

---

## 15. Regulatory Information

Please consult the regulations of the importing country.

If you have questions, please contact us.

---

## 16. Other Information

1) Plastics Data Handbook

Edited by Kimimasa Itoh, Kogyo Chosakai Publishing Co., Ltd. (1980), Page 116.

2) Same as above, Page 110.

The contents herein are based on documents, information and data available at the time of press. However, no guarantee is extended as to the physical / chemical characteristics and dangerousness. Cautions are meant for normal conditions of handling. Appropriate safety measures must be taken for each special conditions of handling.

---
